

New River Valley GIS Users Group 2015 Summer Meeting

Date: July 31, 2015
Time: 11 am – 1 pm
Place: Bull & Bones Brewhaus and Grill, 1470 S Main St #120, Blacksburg, VA 20460

AGENDA

- I. Arrival/Food Ordering (11:00-11:15)
- II. Introductions (11:15-11:20)
- III. Talks/Presentations
 - a. Local Project Updates (11:20 – 12:00)
 - i. Next Generation 3D Spatial Data Infrastructures (A Brief History of 3D Blacksburg to 3D Virginia), *Dr. Peter Sforza, Center for Geospatial Information Technology*
 - ii. NRV Cycling Guide, *Catherine Howey, New River Valley Regional Commission*
 - iii. Open floor for anyone who would like to share their projects
 - b. Web App Development & Field Mobility (12:00 – 12:55)

Arti Robinson and Matthew Jones from Esri Charlotte will be providing demonstration on how to implement a COTS application from the Solution Center. This will be a hands-on review of how to download an app, register a web service, and provide the user department with the tools to maintain their own data. Following the 2015 user conference we will provide a quick update about what's new.
- IV. Conclusion (12:55-1:00)
